

Home + School Agreement

Our school is a community which depends for its happiness and success on the best efforts of everyone concerned, particularly the teachers, the children and their families. In recognition of this fact, and as a sign of our commitment to a school we can all be proud of, we have signed this agreement.

The school will try to:

- ❖ encourage high standards of teaching and learning, in the context of a broad and balanced curriculum;
- ❖ set appropriate homework for all children, according to their age;
- ❖ encourage high standards of behaviour throughout the school;
- ❖ care for the children so that they are safe and happy;
- ❖ encourage all children at the school to fulfil their potential as valued members of the school community, whatever their individual needs;
- ❖ keep parents fully informed about general school matters and, more particularly, the progress of their children; and
- ❖ be open and welcoming to parents at all times, offering many opportunities for them to become involved in the work of the school.
