Stella Maris Catholic Primary School

Sunshine Team

The Sunshine Team have been very busy this month trying to create a 'Peace Garden' for the whole school. The Sunshine Team felt that children at Stella Maris needed a quiet space outside where they can go and sit peacefully and reflect. The Sunshine team have already started to decorate and create a wonderful space for all to use. They will also be running a Brighten up day soon with all the money raised helping to buy some plants and seats for the 'Peace Garden.' Money will also be donated to Cafod.

Harvest

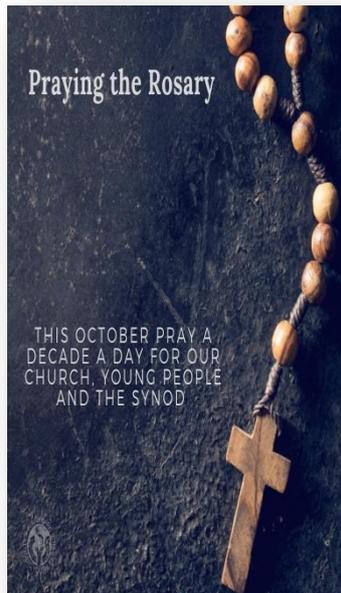

In school, during harvest time, we have been busy collecting for the Rainbow Centre. Thank you so much for all your donations, they will really make a difference. Well done everyone.

We also had a harvest mass in school where we gave thanks and praise for all that we have. The Sunshine Team led the prayers and readings and the Hobbits Class made some harvest decorations.

Unicorns visited St. Edmund's Catholic School to celebrate Harvest Festival and take part in different activities.

The Rosary

October is dedicated to praying the rosary. If you have never tried this meditation it looks at the life of Christ through the eyes of Mary. Give it a try, with beads or use your fingers. Keep it simple with one Our Father, ten Hail Mary's and one Glory Be.

Food Bank

We now have a food bank bin in school at all times. We invite all families, staff and Parish members to help whenever they can. The children are welcome to place their contributions in the bin which lives in the school hall.

Thank you for all your kindness and generosity.

"God of all good things, sometimes I complain about having a hard time when things are not going so well. Help me to remember what I have to be grateful for, beginning with this morning."
