Stella Maris Academy PE and Sport Premium Strategy

Academic Year: September 2018 - August 2019	Total fund allocated: £18110
<p>Purpose of the premium</p> <p>The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles.</p> <p>The Secretary of State does not consider the following expenditure as falling within the scope of additional or sustainable improvement:</p> <ul style="list-style-type: none"> • employing coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of schools' core staffing budgets • teaching the minimum requirements of the existing PE curriculum. 	
<p>Overview of Stella Maris Catholic Academy's strategies for improving pupils' PE and sport participation and attainment and giving pupils the opportunity to develop a healthy, active lifestyle.</p>	
<p>We spend our PE and sport funding in the following ways to improve PE and sport participation and to enable pupils to develop a healthy, active lifestyle:</p> <ul style="list-style-type: none"> • Employing qualified sports coaches at lunchtimes to encourage less active children to take part in sports activities in their free time • Buying into the Shepway Sports Trust's Sports Package, enabling us to take part in inter-school sports activities and competitions • Purchasing new equipment to support a range of different activities in PE lessons • Subsidising additional swimming support for those pupils who struggle to meet the requirements of the National Curriculum in swimming <p>Our rationale for spending the money in this way is:</p> <ul style="list-style-type: none"> • Actions that affect the whole culture, ethos and environment of the school, to encourage and promote physical activity (3/5) • Engaging families and the wider community through participating in interschool competitions (3/5) • Creating an active environment (3/5) <p>Offering pupils a wide choice of physical activity opportunities (2/5)</p> <p>How the improvements made will be sustainable in the future:</p> <ul style="list-style-type: none"> • Embedding monitoring and evaluation of the impact of the improvement • Building up participation in inter-school competition • 'Topping up' resources as necessary • Further developing the outdoor environment
