

UNICORN

Newsletter

Friday 11th October 2019

Dear Parents and Unicorns,

What have we been up to this week:

- Monday we had a truly successful RE visit and our special visitor was amazed by the maturity of the year sixes and by their wonderful lesson on God's love.
- In Maths, we have been working on efficient methods of long division.
- In English, we have been working on writing letters home in role as a soldier fighting from the trenches in WW1.
- Thursday morning we had the most wonderful workshops called 'Not only the boys' (Matron came in to tell us the roles and stories from a nurse on the front) and 'Spy School' (We found out about how secret coding was used during WW1 and had a go at designing our own codes.)

Attendance – for last week we rocked our way back to the top with **100% !!!**

WELL DONE UNICORNS 😊

Superstars of the week:

Wiki and Amelia for continuous hard work and their sparkly attitude to learning – all day every day! Well done girls 😊

Enterprise Week!

Next week at school it is Enterprise week – each class has been giving £10.00 with the aim to then make as much profit as possible. The Unicorns have decided on a 'WW1 Remembrance Performance', which will be on Thursday 17th October in the school hall.

They will be reading some of their own work – based on true-life experiences from articles we have read in class. The children are also busy creating art pieces, which will be on sale, and there will be refreshments for sale too. We plan on it being a very moving and special occasion- a great opportunity for the children to share their work too. Ticket prices for entry will be £2.00, which can be paid on the door. We hope lots of you can make it and support our enterprise venture.

Have a happy and fun-filled weekend 😊

Miss Moore x
