

Dragons Class Newsletter ~ Friday 13th November 2026

Our school mission is what God sent us into the world to do – to help build His Kingdom through learning, playing and making friends together.

The tools we will use to do this are:

Care Share Love Trust Respect

Hello,

The Dragons have had a good week, ending with World Kindness Day today. They have worked especially hard as we've done lots of assessments this week.

Our learning this week:

★ In RE we thought about how the words of prophets help us today.

★ The children have continued working on Multiplication this week – focusing on the seven times tables.

★ In English we did a lesson on expanded noun phrases describing the setting in our book. We also wrote a diary entry in role.

★In Art we started our Book of Kells project by researching who made it and where.

★In French we spoke and wrote about our likes and dislikes of French toys.

★ We have been learning about programming in Computing.

★ In History, we finished our Anglo-Saxon research.

★ In Science we started our new topic on 'Electricity' – thinking about the dangers of it and ways to stay safe. The children worked in pairs to make posters.

★Celebration assembly ★

This week we celebrated:

Joanna for being a 'Stella' Writer with her beautiful presentation, in all subjects not just English!

Sofia for being such a kind friend and showing our Gospel Values.

Nova for being our Maths Master this week and working hard.

Reminders

★ The children have PE on a Wednesday – please make sure they come to school wearing the correct PE kit.

★ Please ensure your child brings a water bottle to school and also a raincoat!

★Please make sure your child practises their spellings ready for a test every Friday.
