

Year 5 Griffins Homework Grid - Autumn Term 1

Please try and complete at least one task each week!

Please read daily to an adult at home and make sure it is logged in your reading record. Make sure to practise your spellings in readiness for the test on Mondays and log on to TTRockstars as often as you can.

Maths

Place Value, Addition and Subtraction and Multiplication and Division are the topics we will be covering in Term 1.

Mrs Coughlan will upload weekly homework sheets onto the website that will link to the learning in class. If your child requires additional support, we will approach you directly. ☺

English

Research the Colosseum or a Roman amphitheatre. Write a newspaper report about a gladiator fight or chariot race. Include: Who? What? Where? When? Why?

Science

Stick in a photograph of you when you were a baby or toddler. (If you can't find one, draw one!) Think about all the things you can do now that you couldn't do when you were small. Ask an adult if you're not sure! Write at least 5 sentences about what you couldn't do as a baby that you are able to do now. For example: When I was a baby I was carried everywhere. Now, I can walk, run, hop and swim.

Computing

We will be learning about search engines throughout this term so, use search engines to help you with your English and History homework. See if you can find some different search engines, other than google and safari!

An idea of your own!

Design, create, invent, model, draw, write, act, whatever you like!

Catholic Social Teaching

This term we will be thinking about Stewardship (taking care of God's world) in our RE learning and across the school. Think about what you could do to look after our beautiful world and create a collage of all the things that make you go wow in our world.

History

Design a colourful poster to recruit Roman soldiers. Include:

- Benefits of joining the army.
- Drawings of armour and weapons.
- A catchy slogan!

Design Technology

Create a pair of Roman sandals. Get creative and use any materials you like!

RE

Write a prayer about new beginnings. Think about what you are grateful for and what you hope the new school year may bring!
