

Unicorns Newsletter – Friday 25th September 2026

Our school mission is what God sent us into the world to do – to help build His Kingdom through learning, playing and making friends together.

The tools we will use to do this are:

Caring Sharing Love Trust Respect

R.E: The theme for reflection this week has been 'Care'. The children have spent time caring for their Imp partners and their friends. Today, we celebrated our Stella Maris Feast Day. The children have made prayer boats, helped the Imps make flower crowns for their pictures of Mary and we attended a whole school mass.

What have the Unicorns been learning this week?

- In our maths lessons, we have finished our place value topic and moved on to addition, subtraction, multiplication and division.
- We have continued to study our class text and have written postcards home in the voice of Olive (the evacuee in the story).
- In science, we went on a bug hunt and we created detailed drawings of the creatures that we found.
- In art, we have been looking at the work of Paul Nash and discussing the techniques that he uses.

Key dates for Term 1

- Monday 5th October - Individual School Photos (please ensure that your child is in full school uniform)
- Friday 9th October - Wear yellow for Children's Mental Health
- Monday 19th October - Immunisation in school (email has been sent with information regarding consent or withdrawal).

More dates to follow...

Class attendance

93.79%

Our superstars this week are **Marshall & Evie!** Well done!

Class choice - A Unicorn will be selected at random to be celebrated each week and the class will decide why that person deserves to be celebrated.

The class choice this week was **Marshall**.

Marshall was celebrated because 'he is a good friend, he always works hard and he gives great hugs'

Evie has produced some wonderful pieces of work in both science and art this week. She is always ready to learn and completes learning activities to a high standard.

REMINDERS

- There is a change to the P.E schedule next week. The Unicorns will have their P.E lesson on **Wednesday** instead. This is for 1 week only.
- Please ensure that your child has a waterproof coat/jacket for playtimes as the weather does seem to change very quickly at the moment.

What a wonderful week we have had!

Enjoy you weekend. See you all on Monday.

From Mrs Cox, Miss O'Hagan & Mrs Stevens
